# METAMORPHS: TRANSFORMING MATHEMATICAL SURPRISES (PAPERBACK)

Tarquin Publications, United Kingdom, 2004. Paperback. Condition: New. None. Language: English. Brand new Book. Metamorphs are curious and interesting paper models which will transform step by step through a sequence of different shapes before finally returning to their original starting positions. There are ten colourful two and three-dimensional models to cut out and make and also an informative text which discusses and explains the principles by which they have been designed.
